

UNITED STATES COURT OF NORTHERN NEW YORK

Plaintiff:

Dr. Marco Bitetto
4 Fourth Avenue
Rensselaer, N.Y. 12144

1:18 cv 1083 (MAD/CFH)

Defendant:

Mr. Sundar Pichai
1600 Amphitheatre Parkway
Mountain View, CA. 94043

FACTS OF THE CASE

Google began to publish my ebooks about six years ago. However, quite recently they stopped publishing my ebooks and have put my account on pending review.

I believe this is the case because I am blind and this forms a disability related discrimination case. Since, this is in violation of the Americans with Disabilities Act.

Consequently, I am bringing this \$500 Billion dollar law suit against Google.
